Conference Schedule

Our plan is to hold the conference from Wednesday 23rd to Friday 25th August 2017.

The tentative schedule is shown below. Depending on the response to the CFP, the technical sessions will include Special Sessions, Poster Sessions, Tutorials and a Best Poster Competition. The aim is to schedule the Tutorials for the first conference day, the Poster Session and Best Poster Competition in the late evening on the first day, and the Special Sessions in the remaining technical session slots.
